## Foreword

As our school days come to a close, we find ourselves looking back at what we have achieved. We realize that we must continue across the bridge into adulthood, for these past memories are only a part of the picture. As a tree first shows signs of beauty in the spring, it does not achieve full bloom until summer. Perhaps we are like that tree in that what we have already achieved is a part of our maturity, but full maturity does not come until that bridge is crossed.

Mrs. Smith, the younger daughter of Dr. and Mrs. Charles Reed, was educated in the New Castle School System. Upon her graduation from high school, Mrs. Smith entered Oberlin College at Oberlin, Ohio. She was graduated the proud possessor of Phi Beta Kappa Key.

She married Earl Smith, an electrical engineer employed by the American Bridge Company. His occupation necessitated their traveling from New York City on the East Coast to San Francisco on the West.

Following the death of her husband, Mrs. Smith returned with her young son and daughter to make their home in New Castle. While her children were being educated in the public schools, Mrs. Smith began doing substitute work. Upon their graduation, she became a full-time teacher in our Neshannock Junior-Senior High School.

In 1964 Mrs. Smith traveled through the British Isles and Scandanavia. She is looking forward to the possibility of further travel upon her retirement in June.

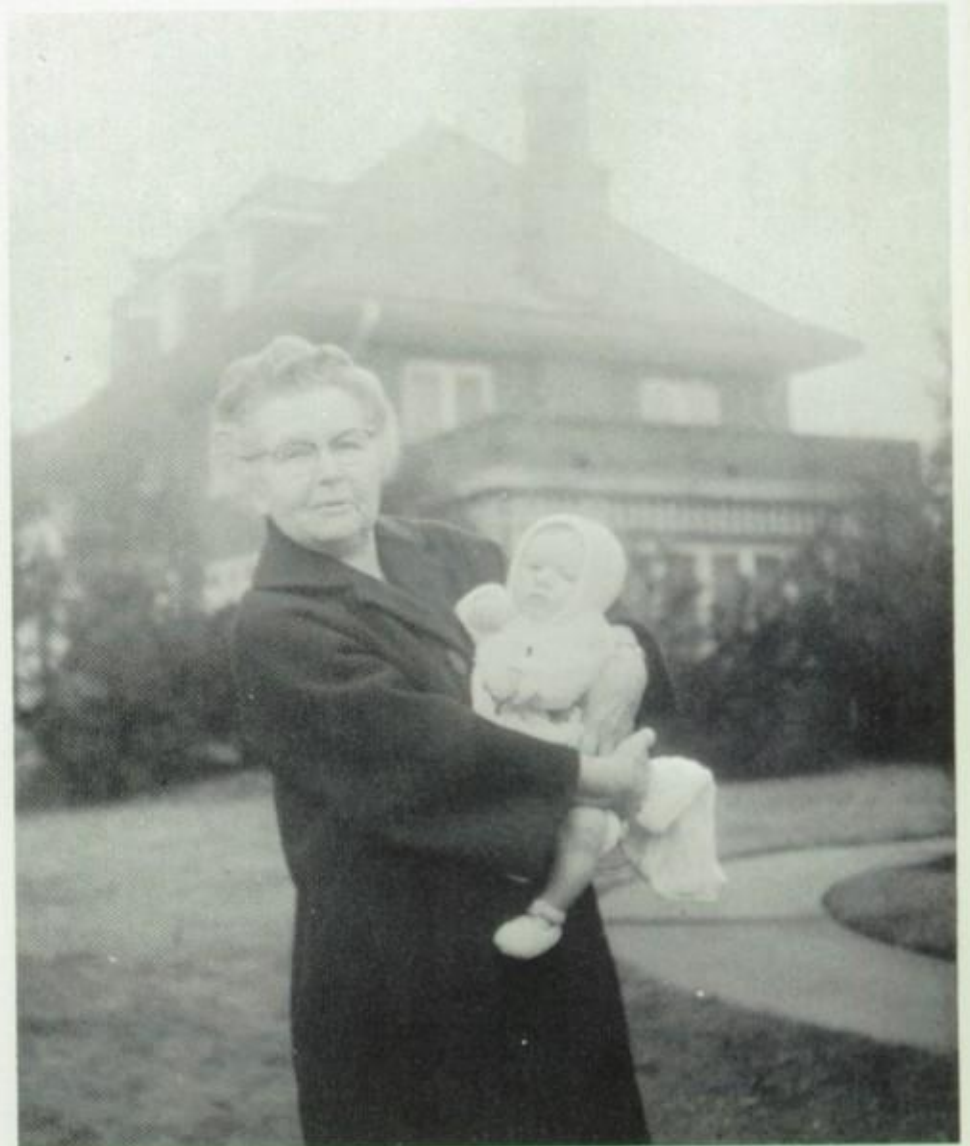

To you, Mrs. Smith, we dedicate this 1966 year-book. Your many years of devoted service indicate a job well done. We hope that your years at Neshannock have been as rewarding for you as they have been for us. Our best wishes include those years following your retirement.

# Dedication

MISS E. VERNA WILFERT

Miss Wilfert relaxes at home.

To those seniors privileged enough to have had Miss Wilfert for their entire high school career, little can be told. They have already learned of her devotion to teaching and to mathematics. She inspired her students by her genuine love of mathematics. Surely one would have to search hard to find a woman with more ability in her chosen profession.

Even a quick glimpse at Miss Wilfert's background will reveal her considerable achievements. She attended the public schools in Buffalo, New York, taking both the academic and commercial courses simultaneously. She put herself through Thiel College where she had not yet completed her final year when the New Castle Schools offered her a job. She later returned to Buffalo to receive her Master of Arts degree in mathematics. In 1957, she came to Neshannock where she was the major proponent of the new mathematics. Because of her, our Math department is now one of the best in the area. Only this year she was instrumental in increasing interest in mathematics by creation of a math club.

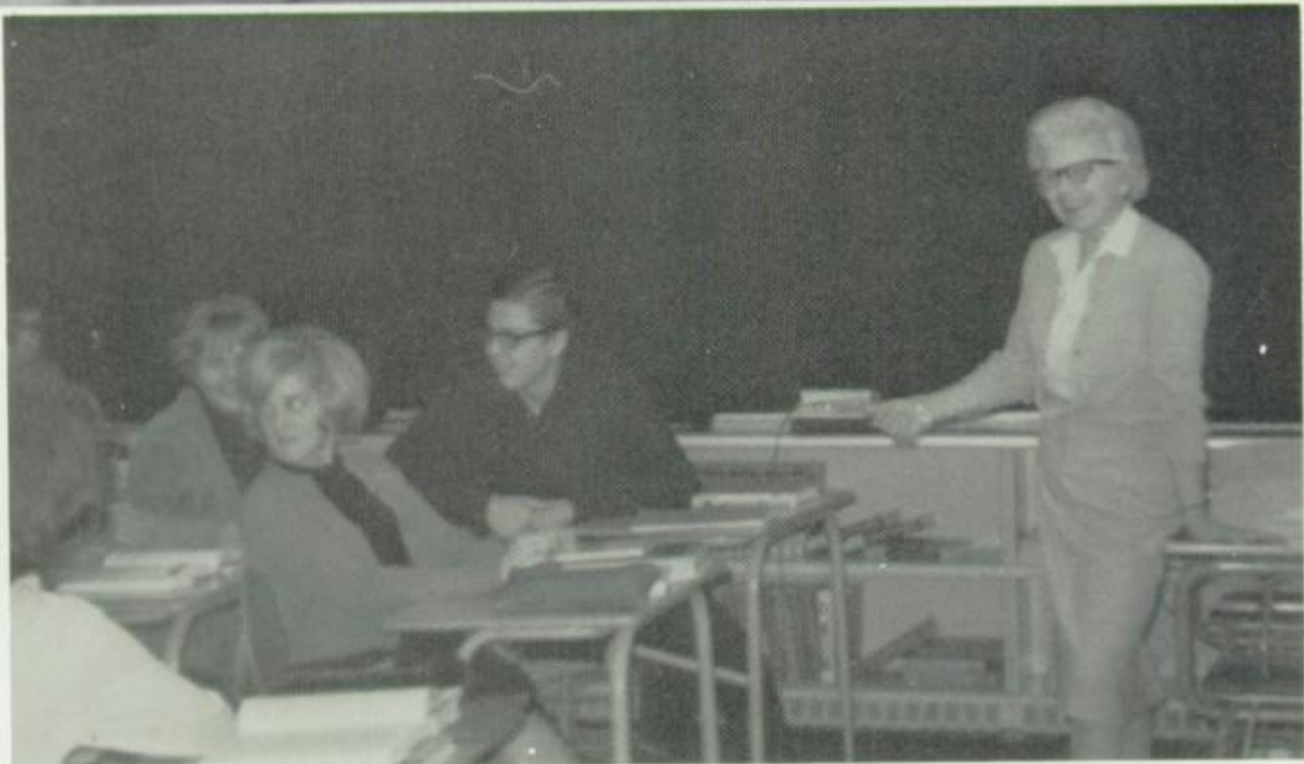

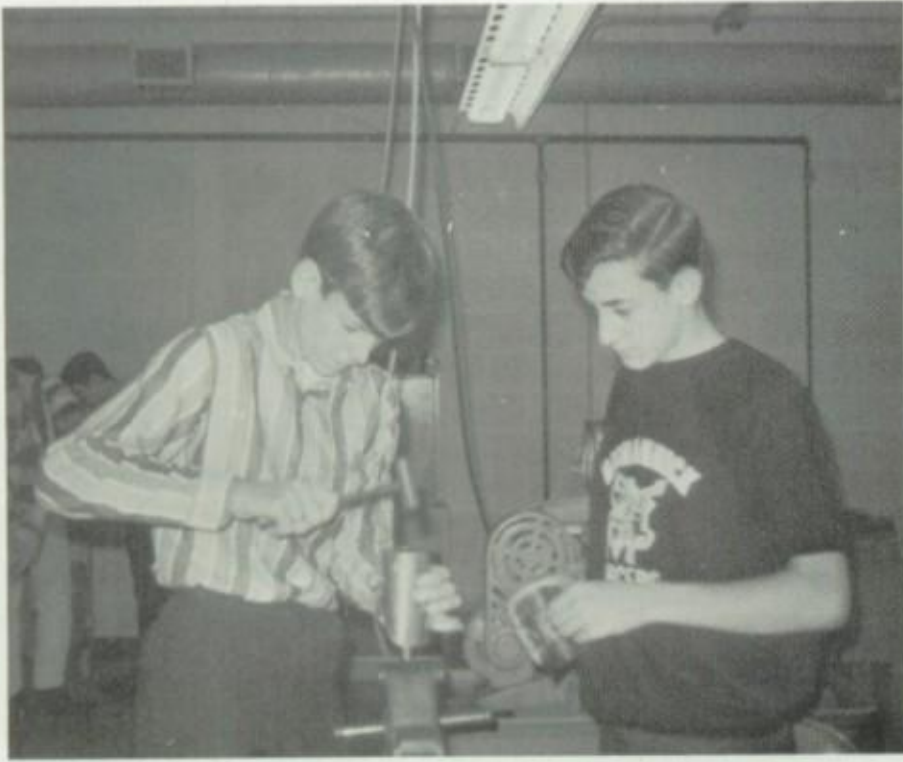

The gap Miss Wilfert will leave may take years to fill, but the love of mathematics which she has instilled in so many of her students will carry on her influence in many fields. It is difficult to realize the staggering affect she has had throughout the country, all which she has done through her many students.

Miss Wilfert, you may retire, but you will not be forgotten. To you, we dedicate the 1966 yearbook.

Miss Wilfert takes a break with Mrs. Middendorf and Mrs. Alderson.

## *Supervising Principal*

Mr. Thomas P. Smathers, our supervising principal, has played a large role in the development of the Neshannock school system. Through his capable guidance, Neshannock has obtained a high academic status. After graduation from Clarion State Teacher's College, he received an M.Ed. at the University of Pittsburgh.

## *High School Principal*

Mr. Vern Alderson, our high school principal, has been at Neshannock for two years. During this period of time Mr. Alderson has attempted to make Neshannock a school of which we can be proud. Mr. Alderson obtained his B.S. degree from Indiana State College, did graduate work at the University of Miami, and received his M.T.D. degree at the University of Pittsburgh.

## *Assistant High School Principal*

Mr. Edwin G. Tobin, our assistant high school principal, is a familiar figure of Neshannock. Mr. Tobin takes a great interest in the students and their school activities. After graduating from Indiana State College, Mr. Tobin obtained his M.A. degree from the Pennsylvania State University.

### *In Appreciation*

The Continentals of 1966 wish to express their sincere and heartfelt appreciation to our class advisor, Mr. Willian Wanatosky. Mr. Wanatosky has unselfishly guided us through our high school years. His kind nature and quick wit are well known to all who have come in contact with him. Although it is impossible to fully express our gratitude, we do extend to you one hearty "thank you" for a job well done.

## *A.F.S. Student Edgar Gonzales*

I do not have enough words to thank all of you Neshannock students and you, Faculty Members, for your hospitality and co-operation in making this a wonderful year for me.

The hobbies I enjoy most are music, photography, dancing, and reading and my future ambitions are engineering, and diplomacy.

I hope my staying here has contributed to the understanding and better knowledge of the Colombian people. Anyway I understand the American people better, and although I will have to leave, my mind and my heart will stay with you forever.

The Sophomores held their "Evening in Paris" on February 5, 1966. The Class of '68 and their dates were surrounded by a Parisian atmosphere consisting of a typical sidewalk cafe and a traditional French garden. Entertaining throughout the evening were Da-Bojacks and various "talented" members of the class. Chaperoning the party were Mr. and Mrs. Joseph Abraham, Mr. and Mrs. Zusack, and Mr. Edwin Tobin. As the evening drew to a close and the Sophomores slowly departed, everyone agreed that this was a night not many would forget.

## HOMEcoming

On October 2, 1965, the annual Homecoming was held during half time of the Neshannock-Shenango game. Jolene Wanatosky carried the flowers and Greg Bleggi held the crown. Senior class president Tom Colbridge crowned Queen Pattie Cawthorne, who was escorted by Jerry Fair, and Bev Lewis, escorted by Alan Candioto, were her senior attendants. The junior attendants were Marty Koszela and Sherry McCann, who were escorted by Irvin Thomas and Frank Ruscetti respectively. Sophomore attendants Cindy Helms and Rita Noga were escorted by Philip Mills and Jeff Kehler.

# Continental A-Go-Go

On December 4, 1965, the Continentals of '66 held their Senior Class Party, "Continental A-Go-Go." The decoration committee, under the supervision of Dulcie Layman, set the mood of a go-go discotheque. Go-Go girls, Bambi Kehler and Sherri Kulkin added to the atmosphere by performing the "frug" and the "jerk" in cages made of blue and white crepe paper. April Litzner and her entertainment committee supplied the Seniors and their guests with the folk songs of The Young Folk Trio and singers, Robbie Moore and Cris Shuster. Susie McKeever was appointed chairman of the publicity and admission committee. The refreshment committee, headed by Kathy Butler, provided the guests with cookies and punch.

The Party proved to be a pleasant, fun-filled evening for all. "Continental A-Go-Go" will live on in our hearts as one of the many class activities which the Class of '66 will never forget.

# "Mystery at Mouldy Manor"

This year the Speech and Drama class at Neshannock presented a one act play as a class project. "The Mystery at Mouldy Manor" was presented by a group who had never acted before. The remainder of the students served on various committees. The play proved to be very entertaining to the student body. We hope that more of these programs will be held in the future.

Attention!

A missile base is established by the U.S. Army at Putnam's Landing, a quiet town in Connecticut. The townspeople object and the public relations officer has his hands full if he is to keep open warfare from breaking out between the citizens and the Army. The lieutenant hopes to improve relations by presenting a historic pageant. Just as his Colonel arrives, the pageant turns into a fight. If something else goes wrong, the lieutenant will be sent to Alaska. And something else does go wrong in one of the most spectacularly funny scenes ever written. After several incidents and accidents, one of two missiles which "cannot possibly" go off, does go off! It was a wonderful comedy which delighted everyone!

## *Neshannock Presents Three Plays*

This year became another "first" for Neshannock when three one-act plays were presented on November 19, 1965. In past years a three-act play was presented. The plays were under the capable direction of Mr. Donald Frediani who was assisted by student directors, Pat Bechtol, Polly Burnside, and Cheryl Kegarise. The Plays that were presented are as follows: "Egad What a Cad", a farce; "Stolen Identity", a drama; and "Something New in Murder", a comedy. Since a variety of plays were presented, there was something to satisfy everyone. The hard work of all the people involved with these plays resulted in three very successful performances.

"Deck the Halls with Boughs of Holly" . . .

The eighth grade girls chorus presented a medley of songs.

Other Christmas carols were sung by the Girls Ensemble.

"The Night Before Christmas" skit is performed by Neshannock students.

Student Council President Tom McGrath crowns Snow Queen Lou Ellen Eckles

The Christmas spirit arrives at Neshannock.
